## Eurogroup for Animals, Exotic Animals Research - Europe February, 2020

Methodology: Savanta ComRes interviewed 6,137 adults in six European countries (France, Germany, Spain, Italy, Poland and Finland) aged 18+ online between 11th and 17th February 2020. Data were weighted to be representative of adults aged 18+ by age, gender and region in each of the six countries. Savanta ComRes is a member of the British Polling Council and abides by its rules.
